

Northwest Guilford High School 2011/12 PTSA Membership Form

Ever wonder what your PTSA actually does?

Here are some things your PTSA did at NWHS last year:

Awarded three \$1000.00 scholarships to seniors, quarterly published the Viking Voice newsletter, coordinated and manned the Homecoming and Twerp dances, sponsored the "Reflections" art competition, coordinated volunteers for proctoring exams, ordered and distributed summer reading books, had monthly treats for NWHS staff.

In addition the PTSA awarded about \$3,500.00 to Special Projects to help offset the costs of projects that otherwise might not have come to fruition. These are projects that go beyond the scope of the classroom and that are not funded by the school. By awarding these grants, the PTSA works with the teaching staff/administrators to help continue the efforts to better the environment in which our students learn.
